Progress Report

Name: Adrian Marrero Pagan

Course: Simulink Fundamentals

Progress: **100%** complete (as of 1 July 2025)

Chapters

1. Course Overview   **100%**
2. Simulink Environment Overview   **100%**
3. Modeling Continuous Dynamic Systems   **100%**
4. Modeling Discrete Dynamic Systems   **100%**
5. Subsystems   **100%**
6. Conditionally Executed Subsystems   **100%**
7. Model Referencing   **100%**
8. Simulink Libraries   **100%**
9. Optimizing Simulation Performance   **100%**
10. Conclusion   **100%**
